## Less refilling for longer ironing sessions

With large watertank and safety auto-off

Philips SmoothCare range has one of the largest watertanks there is for steam irons. Iron longer without refilling! Powerful steam will enable you to remove the tough creases easily. Iron switches off automatically when left unattended.

### **Comfortable ironing**

- Drip-stop system keeps your garments spotless while ironing
- Extra large 400ml watertank needs less refilling

### **Longer lifetime**

- Double Active Calc System prevents scale build-up

### **Safe ironing**

- Iron switches off automatically when left unattended

### **Easily removes creases**

- Continuous steam output up to 40 g/min
- Steam boost up to 160 g for the most stubborn creases
- Ceramic EasyFlow soleplate

**PHILIPS**

# Highlights

## Double Active Calc System

### Double active calc clean

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

## Up to 40 g/min of steam

Philips steam iron with continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

## Ceramic EasyFlow soleplate

Ceramic EasyFlow soleplate is scratch resistant, glides well and is easy to clean.

## Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

## Steam boost up to 160 g

The iron's 160 g steam boost enables you to easily remove even the most stubborn creases.

## Safety auto off

The iron shuts off automatically when left unattended. If it is left on its heelrest it will switch off in 8 minutes. When left on the soleplate or on the side, it only takes 30 seconds before the iron shuts off.

## Large watertank

Iron longer without refilling with extra large 400 ml watertank .
